Benefit Commerce Group Is Finalist in 'Best Places to Work' in Phoenix Area for 5th Year in a Row

Scottsdale, AZ, November 22, 2019 – **Benefit Commerce Group**, an Alera Group company, has been selected as one of the “Best Places to Work” in the Phoenix area for the fifth year in a row.

A Scottsdale-based progressive and results-driven employee benefits consulting and brokerage firm, Benefit Commerce Group is among 35 employers in its category to receive finalist recognition.

The *Phoenix Business Journal* will host a celebratory awards luncheon on Thursday, December 12th, at the JW Marriott Desert Ridge Resort in Phoenix.

The finalist recognition is a result of the scoring of individual surveys completed by employees of each of the nominated employers.

“Being one of the Best Places to Work for five years in a row is something we take great pride in because we value our employees, and we always strive to create an environment in which they can excel,” said Scott Wood, Managing Partner and Principal of Benefit Commerce Group. “As we have continued to grow over these five years, our employees have found a work home that provides challenges and fulfillment. In our business, we help people every day: our employer clients and their employees and families. As an employer, we extend the same level of support to our own employees, providing them with motivation to bring their best game, which in turn benefits our clients. It’s a win-win-win!”

The surveys allowed employees to rank their employer on a wide range of categories, including enjoyment of their work, the influence and collaboration of supervisors and coworkers, understanding of the organization’s objectives and path to success, and growth and career development opportunities.
