Benefit Commerce Group Jumps 11 Places Higher in Phoenix ‘Best Places to Work’ Ranking

Scottsdale, AZ, December 12, 2019 – **Benefit Commerce Group (BCG)**, an Alera Group company, rose 11 places this year in its ranking as one of the “Best Places to Work” in the Phoenix area.

A Scottsdale-based progressive and results-driven employee benefits consulting and brokerage firm, BCG was ranked number 24 in its category, among a total of 100 employer finalists in the Phoenix area who were honored at the awards luncheon today by the *Phoenix Business Journal*. This is the fifth year in a row that BCG has been named one of the Best Places to Work.

This recognition is a result of the scoring of individual surveys completed by employees of each of the nominated employers.

“We are excited about our strong jump upward in our ranking this year! This result is indicative of our commitment to creating a fulfilling work environment and significant career opportunities for our employees,” said Scott Wood, Managing Partner and Principal of Benefit Commerce Group. “Having an engaged workforce is critical to providing great service and support to our clients. Being the best is really a matter of listening and responding to what our customers need and what our employees need.”

The surveys allowed employees to rank their employer on a wide range of categories, including enjoyment of their work, the influence and collaboration of supervisors and coworkers, understanding of the organization’s objectives and path to success, and growth and career development opportunities.
