### **Benefit Commerce Group Rated One of the 'Best Places to Work' in Phoenix Area for 3<sup>rd</sup> Year in a Row**

Scottsdale, AZ, December 7, 2017 – **Benefit Commerce Group**, a Scottsdale-based innovative employee benefits consulting firm, has been rated among the “Best Places to Work” in the Phoenix area for the third year in a row. The firm moved up in rankings by seven places this year, compared to last year, with a score of over 93 out of 100.

Benefit Commerce Group was among 114 employers to receive finalist awards.

The rankings are a result of the scoring of individual surveys completed by employees of each of the nominated employers.

“It is an honor to be recognized – for the third year in a row – as one of the Best Places to Work,” said Scott Wood, Principal and CEO of Benefit Commerce Group. “During these three years, we have increased the number of our employees and our clients. Knowing that we are providing excellent service and support to our clients and at the same time creating an environment where our employees thrive and find fulfillment is a great reflection of our company’s positive culture.”

The surveys allowed employees to rank their employer on a wide range of categories, including enjoyment of their work, the influence and collaboration of supervisors and coworkers, understanding of the organization’s objectives and path to success, and growth and career development opportunities.
