Scottsdale, AZ, December 13, 2018 – **Benefit Commerce Group**, a Scottsdale-based innovative employee benefits consulting firm, has been rated among the “Best Places to Work” in the Phoenix area for the fourth year in a row.

Benefit Commerce Group was among 118 employers to receive finalist awards.

The rankings are a result of the scoring of individual surveys completed by employees of each of the nominated employers.

“We are very proud to be recognized – for the fourth year in a row – as one of the Best Places to Work,” said Scott Wood, Principal and CEO of Benefit Commerce Group. “Over the past four years, we have increased the number of our employees and our clients. We believe our growth goes hand-in-hand with creating a great work environment and career opportunities for our employees. One of the keys to business achievement is to hire the right people and then provide them the tools to be successful. At Benefit Commerce Group, we operate by those principles to create a positive corporate culture.”

The surveys allowed employees to rank their employer on a wide range of categories, including enjoyment of their work, the influence and collaboration of supervisors and coworkers, understanding of the organization’s objectives and path to success, and growth and career development opportunities.
